Captain Andrew’s Column

‘Bless my Soul!’ I’m sure you’ve said that when something has happened. We are all blessed with differing experiences and in situations. We’re thinking about being Blessed today. Jesus is speaking to His disciples, there were loads of people around, Jesus was popular. In His teaching known as the Sermon on the Mount, Jesus says that we are blessed with many things and we are when compared to many. If we think now about many places in the World, we really are blessed with so much and many are using what they are blessed with to help others. Jesus mentions many different situations and says we are blessed. In some of these it’s difficult to realise that we are Blessed, but we have to remember that God is with us at all times and blesses us. What Jesus says here and at other times as well, gives us hope. We are constantly blessed by God with His protection, love and compassion, we need to take time to reflect and remember how God provides us with so much but also that God ‘Blesses Us’ with His presence at all times.
