The Captain’s Column

How many lawyers does it take to change a light bulb?: *How many can you afford?* How many Police Officers does it take to screw in a light bulb? *None. It turned itself in.* How many politicians does it take to change a lightbulb?: *2, one to change it, one to change it back* Change! Is that a word we like to hear? Today we are thinking about change, not at Ipswich Citadel..yet, but in the early Church in Acts 4. This new-fangled Church was gaining popularity. Many people were accepting the change this new message brought, in fact several thousand. There’s a song there isn’t there? As always there was resistance, something we often see when major change is proposed or happens. People were unsure even afraid, well actually the authorities were scared about how this ‘new way’ was working and undermining their authority and power. Despite this resistance Peter and John filled with the Holy Spirit were really going for it and telling everyone about Jesus. At times we must embrace change to see growth, through prayer we do see the results, let’s pray for that here at Ipswich.
