For some this may be a day that is difficult with tough memories, and we must respect and acknowledge that. The origins of Father’s Day has different history, it seems a woman heard a sermon for Mother’s day and thought why not a have a father’s day? Many people think it was invented by greeting card manufacturers to boost sales! But we know we celebrate and remember because we have a great role model; we have a heavenly father who is full of compassion, grace and love, something fathers everyone should model. Jesus, although not a father, totally modelled His father in the way that He acted towards ‘His Children’ Today we are looking at John’s message to us about being ‘Children of God’ and that we should look to Jesus and become like Him, that’s what Holiness is all about. Jesus says if you’ve seen me, you’ve seen the Father <i>John 14:9</i> So as we celebrate or remember today let us copy Jesus.</p>
