Captain Andrews Column

*‘For I know the plans I have for you,’ declares the Lord, “plans to prosper you and not to harm you, plans to give you hope and a future. ‘familiar words from the OT and a real comfort..if we trust God’s plans! We’re looking at planning this morning, we need to plan even if we trust God and His plans. Last Friday I had made plans, Maj Jo and myself have been at a Salvation Army gathering with different plans to travel home. I had booked my train ticket some weeks ago so was all set to travel home in the comfort of the train. Well, those plans were well and truly scuppered by the weather! After a 4 hour wait stuck at York station, I finally made my way slowly back to Suffolk, then trains were cancelled from Peterborough and Cambridge! I got home after midnight via a Taxi. We have to plan for what’s to come, in fact Winston Churchill said; *Plans are of little importance, but planning is essential*’ We don’t really know what’s in the future, but we have a God who’s plans can be trusted.*
