Today we are looking at the story of Hannah and how she dealt with problems in conceiving and the cruelty of Peninnah. I think most people in that kind of position would struggle with bitterness and at times question God’s goodness. But not Hannah, as far as we can see she continued in prayer, remaining loving and faithful both to God and those around her. Let’s remember and pray for those who find today painful that they will be able to see and appreciate God’s goodness.</p> <p><i>If you would like to provide flowers for our Holiness Table, please add your name to the list on the noticeboard in the foyer for available dates</i></p>
