Nehemiah is a great illustration of togetherness, his story is in the Old Testament but is bang Up to Date. It speaks of Teamwork, working together, community, gifts, there are also themes of prayer and leadership as well. The Israelites were coming back to Jerusalem; their City and home and they didn’t like what they saw. In fact, Nehemiah had already surveyed and was hatching a plan of repairs, a real Surveyor of his time. Nehemiah was a great motivator, and he inspired people from all backgrounds and skills to get involved in his repair and renovation scheme. We don’t all agree on everything do we? However, as a community of God we surely agree that we want to see people coming to join us and finding God. The writer of Hebrews sums it up really well; <i>‘Let us think of ways to motivate one another to acts of love and good works. And let us not neglect our meeting together, as some people do, but encourage one another...’</i> Hebrews 10.</p> |
