Capt. Andrews Column

Never talk about ‘Politics and Religion’. Have you heard someone tell you that? You can’t fail to have noticed that we are in the middle of election fever right now, every news bulletin is full of who said this, or did or did not do this or that. We all have our own thoughts about all of this, and you may say I’ve come to Church today to get away from all of it. Well sorry but I’m thinking about our choices today, not necessarily about who we vote for but more importantly who we stand for! **‘Stand up, stand up for Jesus’** is one song we’re using today and that is such a great message for us. Jesus tells us to go and tell people about the Gospel; which is similar to what Politicians are doing just now, but with a different message. So; ‘Who do you stand for?’ We can all canvass or campaign Jesus’ message of love, grace and compassion and that is surely is something we should ‘vote for’ today.
