Love God
Love Others

Major Andrew’s Column

. ‘..all good gifts around us, are sent from Heaven above, then thank the lord for all His love’ We need to celebrate what God provides for us, and that’s what we’re doing today and we should thank God, every day! Your Donated items are to be given to FIND Ipswich and Ipswich Outreach, helping them with their valuable work supporting people in Ipswich. The days are now getting shorter, and we’re coming into the lovely time of Autumn, with all the lovely colours, fruits, nuts, acorns. I think the turn of the seasons always gives us a richer appreciation of God’s provision. Today we’re thinking about where that starts; Seeds. They are where everything begins, the potential held within the seed, acorn, nut etc is released when it is planted by us or naturally. We celebrate today the culmination of all that, and what God provides for us. Let’s be seeds ourselves as we sow God’s love to those who need it this week. God Bless 😊
