When we look around the world there are many things to make us unsettled. The number of wars, tense political situations, environmental disasters, increasing levels of poor mental health and the number of people living in absolute poverty is causing people to feel that life as we know it is falling apart. Many are questioning whether there is an all-powerful, all caring God. As people of faith we say yes, we know that despite appearances he is still in ultimate control but it’s a bit more difficult to maintain that feeling of confidence in our hearts. As we look at Daniels vision this morning, we will see there is plenty of reason to have confidence that our caring God’s kingdom power and glory are eternal.</p> <p>“Crowns and thrones may perish, Kingdoms rise and wane, But the Church of Jesus Constant will remain.                      Gates of hell can never, ‘Gainst that church prevail.                      We have Christ’s own promise, and that cannot fail. “</p>
