The 3 men faced the choice to deny God or die a very painful death. I know there are 1 or 2 people here today who are going through very troubling times struggling to see a way out or understand why God has allowed certain predicaments to come to them.</p> <p>While we all want answers to the question of why he has allowed our trying situations we should be focusing on what and how. What does God want me to do in this and how will it bring him glory. For Shadrach, Meshach and Abednego the 1<sup>st</sup> answer was clear - they could not deny God, the 2<sup>nd</sup> wasn’t clear, but they knew they needed to trust God, do what was right and he would work things for the good.</p> <p>When we are in our own ‘fiery furnaces’ often all we can do is continue with the things we know are right and God will work out the rest.</p>
