The time when the leaves on the trees start to change colour. However, some of the trees stay the same colour all year round, like Palm Trees. That’s what we are thinking about today and how they relate to us being Christians.</p> <p>We are thinking about us being rooted and grounded in our faith. The Palm tree is an evergreen, so keeps its true colour in all seasons and is an oasis of refreshment in dry desert climates.</p> <p>As a message to the boys at a camp in America, Dr Holcomb said “Go and stand near a tree and pray this prayer: Lord, make me like one of these trees, tall, upright and strong!”</p> <p>May we make that our prayer as Palm Tree Christians.</p>
