We may feel like we are spinning around on the potter’s wheel, not quite sure where we are going or what we are doing. Occasionally, he may need to prod and poke us, to point us in the right direction. He may need to let us go through the ‘fire’ in order to make us into the people he wants us to be.</p> <p>Let’s remember that whatever happens we are always being held in the potter’s hand!</p>
