Major Sandra’s Column

A question for you this morning: what is your spiritual temperature?
 Are you on the boil, lukewarm or cold?

We are looking at the letter to the church in Laodicea where they were challenged about their temperature. They were so wrapped up in building their own kingdom that they had become lukewarm in their concern for the lost world. There was no divine commendation given to this church, they were too busy commending themselves!

This morning, may the Lord help us to hear what the spirit is saying to us as the church and to us as individuals within church!

Latest copies of Our Daily Bread books are now available in the foyer.

Many thanks to Yvette for arranging our spring Fayre yesterday
