

'Little' Breakfast

Introducing 'Little Breakfast' – a children's activity and craft breakfast for toddlers and children up to 10 years old.

FREE breakfast!

All children attending will be welcomed into their own relaxed space with a complimentary breakfast consisting of juice, toast and fruit – a great way for them to start the day.

A family-friendly atmosphere...

There will also be a variety of fun activities available, including games, puzzles, toys, colouring and crafts. Parents and guardians are welcome to join in with their children during the activities or, alternatively, enjoy a breakfast bap at our popular 'Big Breakfast' event in the same building.

When and where?
