September/October Magazine and leaflet are now in the foyer

Garden Update

The hot, dry summer has taken its toll on some of the plants in our Garden.
Many are resilient and will survive but there are others that will need replacing. We would also like to buy some more spring bulbs.
If anyone would like to help support the upkeep of our gardens through a monetary gift, your donation would be much appreciated. Please see Michael Keats

Special Events

Hollywood Night arranged by our young people.

Major Sandra's Column

A couple of weeks ago we focused our attention on 'Creation Sunday', next week we will be celebrating 'Harvest.' A time of giving thanks to God for all that he provides for us. This morning we are continuing that theme, by thinking about the colours of the rainbow and what they can teach us. We associate the rainbow with the story of Noah and how God saved Noah, his family and the birds and animals that were all in the ark.

Whenever God has used a good rain to wash the world, he puts the rainbow in the sky. The colours of the rainbow are all individual, but when they come together, they produce a beautiful bow of colours in the sky, reminding us that God wants us all to appreciate each other and work together.

The Prayer Tree
In the foyer there is a white tree with some labels beside it. If you have a concern, you would like us to pray for, please write it on a label and place it on the tree. The prayer will be passed on to the Corps Prayer Group for them to pray for you or your concerns. After a while the pray will be removed from the tree.
